Storage of wardrobe [edit] Primary article: Wardrobe storage shows skins of equipment, clothes and thumbnails. It contains space to: deposit from the inventory everything that goes to the storage of material can be deposited directly from the inventory of your character, regardless of where you are in the world. Can be unlocked with the key. Before the September 2014 resource package, the material storage guide was named collectable. New Releases Download cured lists of mods easily, our "collections" feature entered open alpha. Notes [edit] Additional storage can be accessed without using gems creating a personal guild with a guild safe. Items still locked in the account are displayed as dimensions, but can be viewed. The soul items stored in the safe can be viewed or destroyed by any character in your account, but can only be removed by the character that are connected. for.
